WHO WE WRITE

Civil engineers

Structural engineers

Electrical engineers

Mechanical engineers

Architects

Surveyors

INSIDE THE MAIN POLICY LIMIT

- ✓ Professional liability, incl. pollution incidents
- ✓ Contractor's pollution liability
- ✓ Cyber liability
- ✓ Media & personal injury liability
- ✓ Mitigation costs to fix a known problem before it becomes a claim

EXTENSIONS & SUB-LIMITS

Cyber security breach response costs	\$100,000
Disciplinary & regulatory expenses	\$50,000
Loss of documents	\$100,000
Payment of withheld fees	50% to \$25,000
Practice review program costs	50% to \$5,000
Lost earnings while attending trial	\$250 / day

Sub-limits in CAD. They sit within, not on top of, the policy limit.

BUILT INTO EVERY POLICY

- ✓ Defence costs paid on top of the limit*
- ✓ Duty to defend, even on groundless claims
- ✓ Worldwide territory; US exposure up to 20%
- ✓ 60 days after expiry to report a claim
- ✓ Retro date and prior acts kept on rollover
- ✓ Optional CGL to package the account

*Cyber liability claims and US-jurisdiction claims pay defence within the limit.
